Giving Us all the important information

When **We** accept **Your** application for this insurance, **We** will rely on the information **You** give. **You** must take reasonable care to provide complete and accurate answers to the questions asked when **You** take out, or make changes to, **Your** policy.

If the information provided by **You** is not complete and accurate the extent of cover may be affected and:

- **We** may cancel the policy and refuse to pay any claim or
- **We** may not pay any claim in full.

Specialty Risks will write to **You** if **We**:

- intend to cancel the policy; or
- need to change the terms of the policy; or
- need **You** to pay more for the policy.

If **You** become aware that information **You** have given is incomplete or inaccurate, **You** must tell **Specialty Risks**.

Period of Insurance

You chose either an annual policy or a monthly policy. The **Policy Schedule** will show which type **You** have, and the **Policy Start Date**.

If **You** chose an annual policy, the policy lasts for 12 months from the **Policy Start Date**.

If **You** chose a monthly policy, the policy lasts:

- for one month from the **Policy Start Date** and
- continues for each further consecutive monthly period that **We** accept a premium for.

Your right to cancel the policy

Cooling-off period

The cooling-off period gives **You** the chance to change **Your** mind about buying the policy.

If **You** have not made a claim and do not intend to make a claim, **You** can cancel this policy within 14 days of:

- the **Policy Start Date** or
- the date **You** receive the policy documents, if this is later than the **Policy Start Date**

and **You** will receive a full refund of any premium paid.

If **You** have made a claim, **We** will not refund the premium.

Cancellation after the cooling-off period

After the cooling-off period **You** may cancel this policy at any time by contacting **Specialty Risks**.

0333 323 7948 (local rate call)

insulinpumps@specialty-risks.com

Specialty Risks Limited, PO Box 158, West Molesey KT8 8FS

If **You** have an annual policy:

Provided that **You** have not made a claim, **We** will refund the premium for the time between:

- the date the policy is cancelled, and
- the end of the **Period of Insurance**.

If **You** have a monthly policy:

You can cancel **Your** policy at any time but there will be no refund. This is because **You** will only have paid for the cover **You** have already received.

Our right to cancel the policy

We can cancel this policy immediately if **You** commit fraud. If **We** cancel **Your** policy, **We** will write to **You** at the most recent address **We** have for **You**.

Your policy also will end automatically if **You** do not pay the premium when it is due. If this happens, **Specialty Risks** will contact **You** and ask for payment within 14 days. If **We** do not receive payment within this period, they will write to **You** again to tell **You** that **We** will cancel the policy.

If **We** can no longer cover **You**, or **You** threaten or are abusive towards **Us** or **Specialty Risks**, **We** will write to the most recent address that **We** have for **You** and give 60 days' notice that **We** will not renew the policy. This means that:

- if **You** have a monthly policy, cover will end on the date that **Your** next insurance premium is due after the 60-day notice period; or
- if **You** have an annual policy, **Your** policy will not continue at the end of the current **Period of Insurance**.

Our right to make changes

Our right to change the cover or the premium

We will only change **Your** premium or the terms and conditions of **Your** policy for these reasons:

- to make the terms and conditions of **Your** policy better for **You**.
- wording changes to make the policy easier to understand (but that don't change what the policy covers **You** for).
- because of changes to:
 - the law
 - regulations (including any decision of a regulatory body)
 - any code of practice or
 - industry guidancewhich affect **Us** or **Your** policy.
- because of tax changes which affect **Your** policy (for example, insurance premium tax).
- because of changes in the cost (or projected cost) of providing **Your** insurance. For example, changes to the number, length, cost or timing of claims which **We** expect to deal with.

- to cover the cost of changes to the policy cover or benefits, for example, removing a policy exclusion.
- to cover the cost of changes to the systems, services or technology which support this policy.

If **We** have made a change, **We** would not plan to make any more changes for at least 6 months. The only exception to this is if a law, regulation, code of practice or industry guidance says that **We** have to make a change.

If **You** are not happy with any proposed change, **You** can follow the process to cancel the policy.

Our right to change the cover or the premium if You have a monthly policy

We will give **You** at least 2 months' notice if **We** change the policy cover, terms and conditions or the premium. **We** will write to **You** at the most recent address **We** have for **You**.

Our right to change the cover or the premium if You have an annual policy

Any changes **We** make to the policy cover, terms and conditions or the premium will take effect from **Your** next renewal. **We** will tell **You** about them when **We** write to invite **You** to renew the policy.

Renewing the policy

If **You** have a monthly policy, it will continue from one month to the next until **You** cancel it.

If **You** have an annual policy, **We** will invite **You** to renew it 30 days before the end of the current **Period of Insurance**.

Fraudulent claims or misleading information

We take a robust approach to fraud prevention in order to keep premium rates down so that **You** do not have to pay for other people's dishonesty. If any claim made by **You** or anyone acting on **Your** behalf under this insurance is fraudulent, deliberately exaggerated or intended to mislead, **We** may:

- not pay **Your** claim; and
- recover (from **You**) any payments **We** have already made in respect of that claim; and
- cancel **Your** insurance from the time of the fraudulent act; and
- inform the police of the fraudulent act.

If **We** cancel **Your** insurance from the time of the fraudulent act, **We** will not pay any claim for any incident which happens after that time and may not return any of the insurance premium(s) already paid.

Claims conditions

You must comply with the following instructions to have the full protection of **Your** insurance policy. If **You** do not comply with them, **We** may refuse to deal with **Your** claim, or reduce the amount of the claims payment.

1. Prevent further damage

If **You** need to make a claim, **You** must prevent further damage to the **Equipment**. **You** must stop using it if this is likely to cause more damage.
Please do not continue to use the **Equipment** or try to repair it.

2. Keep the Equipment

You must keep any damaged **Equipment** or **Components** so that the **Claims Administrator** can examine them. If **You** do not, **We** will not pay the claim.

3. Contact the Claims Administrator

You must contact the **Claims Administrator** to make a claim.
Before **We** accept the claim, **You** must complete the claim process and give **Us** all the information or documents **We** ask for to assess the claim.

Examples of information or supporting documents include:

- Witness statements.
- Travel tickets.
- Receipts.
- Mobile phone records.
- CCTV footage.
- Any other evidence that supports a statement **You** make during **Your** claim.

If **You** do not give **Us** the information or documents **We** ask for, **We** may not pay **Your** claim.

You can contact the **Claims Administrator**:

www.specialty-risks.com/insulin-claims; or

0333 323 7948 (local rate call); or

claims@specialty-risks.com

For the **Claims Administrator** to be able to process **Your** claim **You** must:

- confirm **Your** policy number and **Equipment** details; and
- confirm the cause of the claim; and
- for **Accidental Loss** or **Theft** claims, confirm the Incident Report Number or Crime Reference Number. If the **Theft** occurs while **You** are outside the United Kingdom, please keep any reference numbers or details the local police give **You**.

If **We** approve the claim, **We** will authorise the **Approved Supplier** to replace the **Equipment**, up to the **Replacement Cost**.

4. Managing costs

We use **Approved Suppliers** so that **We** can manage costs.

If **You** allow a repairer to start repairs, or a supplier to replace the **Equipment** without agreeing this with the **Claims Administrator** first, **We** do not have to pay **Your** claim.

This is because **You** have stopped **Us** from:

- agreeing that **Your** claim is covered by this policy;
- inspecting the **Equipment**;
- managing the **Replacement Cost**.

5. Use of an engineer

When **We** receive **Your** claim the **Claims Administrator** may:

- arrange for an independent engineer to inspect the **Equipment** before authorising any claim; or
- inspect any **Components** which have been removed, and any original documents, within one calendar month after any replacement has been carried out.

We are not liable for any loss to **You** due to any possible delay caused by an inspection.

We do not have to make a decision about **Your** claim until **We** receive the report from the engineer.

6. Damaged Equipment

We can take and keep any damaged or original **Equipment** or **Components**.
